MORE ABOUT THE TOP US VACATION SPOTS

Despite the fact it's expensive to fly and lodge there, Hawaii ranks as no. 1 in honeymoon desirability — and deserves its first-place status. Beautiful beaches and hidden coves; world-class hotels; fresh, inventive cuisine; watersports galore; extraordinary natural beauty; and perfect weather make this an ideal vacation spot year after year.

Coming in second, Las Vegas is America's adult fun capital, with 24-hour excitement. The fact that it's so easy to get married here — and again, so much fun, is another reason couples flock to this desert oasis.

Third in popularity among romantics, Florida offers coast-to-coast beaches. From the festive atmosphere of Miami and the Keys, to upscale Palm Beach and Boca Raton, to Walt Disney World in Orlando, to the action in Daytona and Cape Kennedy, to the gentle beaches and great sunsets on the Gulf Coast side, to the affordable accommodations of the Panhandle, it's one state that offers something for all couples who enjoy warm weather.
